## **Mobile Phones**

As you are no doubt aware mobile phone theft is a genuine issue in London. Now organised gangs are targeting London's clubs. Please be very careful and look after your phone at all times.

If you lose your phone, please immediately contact a member of security and if you think it has been stolen please give a clear description of the alleged culprit, without this we can not help track the thief.

You may be searched on the way out of the venue if we suspect a thief is operating at the event - this deters thieves as they will not be able to leave.
